Many Gravenhurst restaurants pride themselves on a field-to-fork experience, making use of locally sourced ingredients to create mouth-watering delights.

Gravenhurst’s downtown area boasts more than a dozen restaurants offering everything from unique chef’s creations that change with the seasons, to pub fare and lunch options made to order.

Down at the Muskoka Wharf on Lake Muskoka, there’s a steakhouse, tea room, ice cream shop and more, all located along a scenic stretch of boardwalk.
Explore Muskoka Wharf

Muskoka Wharf’s almost half-mile boardwalk is a great place to relax, stroll, shop and dine as it follows the shore of Lake Muskoka.

Visit the specialty stores which include interior decor and unique one-of-a-kind creations. Then spoil yourself with a lakeside dinner and a beverage. All Muskoka Wharf restaurants take advantage of the view.

The area also has a park with splash pad, hiking trails and even the Residence Inn by Marriott right on the wharf offering accommodations. Muskoka Steamships & Discovery Centre offers two of Gravenhurst’s major tourist attractions with entertainment for all ages.

Sail aboard the oldest operating steamship, the RMS Segwun and learn about the area’s boat building heritage, fabulous resorts, sawmill story and more at the Discovery Centre.

Muskoka Wharf is an 89-acre celebration of Gravenhurst’s unique heritage.

The Muskoka steamships are docked at one end and the Discovery Centre and KidsZone is at the other. In between is a mix of shopping and food with nature thrown in. It is home to some incredible events including the annual ACBS Vintage Boat Show featuring hundreds of classic wooden boats, the tasty RibFest or the Dockside Festival of the Arts with music, family fun and unique artisan vendors. It is always a great place to visit.
Wednesdays are special with the Gravenhurst Farmers’ Market to start the day.

Sontags PAGODA Bird Feeders

ONE-OF-A-KIND  CANADIAN DESIGNED  CANADIAN MADE  IN MUSKOKA

Attracts all birds, from little finches to blue jays. Attached (peanuts in the shell) holders provide much entertainment to bird watchers.

Large attractive top keeps seed dry during unfavorable weather conditions.

Swing arm for deck feeder installations swing onto deck for filling, off the deck to avoid droppings.

Sontag’s Pagoda Bird Feeders, often referred as “the forever bird feeder” has no limited life span. With the built in seed saver plate and the squirrel proof cone baffle, the consumer saves on seed as large birds must perch on the wood dowelling; one bird per corner; one seed at a time. “No seed spillage onto the ground”. Built with the consumer in mind.

Following the former rail line to Lake Muskoka, the trail travels between the dog park and the baseball diamond, splash pad, playing fields and special events at Muskoka Wharf.

OLD STONE ROAD TRAIL - 6 KMS - INTERMEDIATE LINEAR (OR LOOP VIA ROAD)
1578 & 1824 N. Muldown Lake Rd. (The trail can also be accessed from Southwood Rd.)
An original colonization road, this historical route was once an alternate route between Bala & Gravenhurst. Paths of stone mark the trail & huge boulders known as glacial erratics evidence the tremendous power of the glaciers.

PENINSULA TRAIL - 2 KM - EASY LOOP
291 Steamship Bay Rd.
A picturesque multi-level pathway around the peninsula in Muskoka Bay, with breathtaking views of Lake Muskoka and Muskoka Wharf. Gazebos are located along the way to relax and enjoy the scenery.

COOPER’S FALLS SECTION - 8 KMS - CHALLENGING LINEAR
1900 Housey’s Rapids Rd. (The trail can also be accessed from Cooper’s Falls Rd.)
This challenging and rugged 8 km hike was designed with nature lovers in mind, as it winds its way past beaver ponds, deer habitat and bird nesting areas. The Cooper’s Falls section is just a portion of Gravenhurst’s contribution to the TransCanada Trail system.

TRANS CANADA TRAIL
Gravenhurst’s 32 km portion of the The Trans Canada Trail travels from Cooper’s Falls Rd. in the south, at the boundary to Ramara Township, to Muskoka Beach Rd. in the north, at the boundary to the Town of Bracebridge. Several kilometers of trail are located in wilderness areas traveling through Conservation Reserves and Crown Land, and used as a snowmobile trail in the winter months. www.thegreattrail.com

Get Out On The Water

With more than 30 lakes in Gravenhurst, paddlers can find countless bays and inlets to explore.

Enjoy an early morning cruise on your paddleboard, a sunset paddle in the canoe or a picnic journey in your kayak. Get out on the water and enjoy it.

Thanks to our endless miles of waterways, once you drop in your boat, you can easily spend the day witnessing new shorelines. There is nothing more spectacular during the summer and fall than spending a day on the water.
Part of the full Muskoka experience is fishing. Drop a line into one of Gravenhurst's clear lakes for the thrill of the catch.

The area offers amazing lake and river fishing, ice fishing and fly-fishing. Species in the area include Bass, Walleye, Yellow Perch, Northern Pike, Lake Trout and Muskellunge.

Before going out make sure to buy a fishing license online or at a local fishing retailer. Whether you're on Lake Muskoka, Kashe Lake or your favourite lake, you are sure to get hooked!

“If you can’t remember when...it’s time!”
Gravenhurst is proud to be home of YQA, Muskoka Airport. Porter Airlines and FlyGTA both offer regular passenger flights from downtown Toronto. Travel from Muskoka to Toronto in roughly 30 minutes.

The Airport also plays host to the Little Norway Memorial. When Nazi Germany attacked Norway in 1940 the Royal Norwegian Air Force was unable to mount a sustained defense. Those pilots who managed to escape were eventually resettled at a new base of operations at the Muskoka Airport. From 1942 until February 1945, Little Norway, as the airport came to be known, trained 2,000 pilots and crews. The memorial contains the story of Little Norway, along with memorabilia and photos.
